

Friday 14 June 2019

WINNERS THIS WEEK

Infants: Leyton for working really hard on segmenting sounds in a word to spell them himself and practicing spelling tricky words at home

Lower Junior: Theo for maturity and problem solving in maths.

Upper Junior: Lewis for increased concentration and stamina

in his writing

Class 1 We have been enjoying more of 'The Smartest Giant in Town' book this week, and acting out what we think characters will say and do next. In maths, Y1 have practiced counting in 2's and reception have been working on taking away in the context of spending money and seeing how much is left over. In the garden, we have found out the names of some of the trees and plants and what their leaves look like. We are still practicing reading and spelling tricky words- please see your child's reading records for the words they need to learn.

Class 2 We have been enjoying solving shape challenges such as, "Draw an oblong, then draw just 2 lines to change it into a square and 2 triangles." We have also been making the same amounts using different coins as well as measuring lines and angles. In English we have been writing the story of the wild swans using fancy sentences.

Class 3 'This week we have done Bikeability and we have all had lots of fun. In English, we have all been entered in a patronus drawing competition and this is super fun too. Our new topic is Rivers and we have done tons of research about famous rivers already. We are looking forward to our visit from the rivers lady in

a few weeks' time. Next week the year 6 will be visiting Lakes College to find out about their future career choices' written by Melodi and Miss Lawson.
