WINNERS THIS WEEK

Infants: Erin for superb reading skills

Upper Junior: Melodi for super hard work all week

Lower Junior: kade Bullock for increased quantity of work as well as quality

Class 1 In Class 1 this week we have continued our topic of 'People who help us'. Reception have made a start on their phonics work and maths. Year 1 have been busy counting accurately whilst sorting by different criteria. Y2 have been exploring number problems and deciding which is the relevant information and which is a red herring. Y1 and Y2 have had a good start to their spellings-thank you for your support with this at home. All the infant children had a fab afternoon in the garden yesterday, exploring their environment's seasonal changes. However, could we please ask parents to make sure their child has a warm coat with them as the weather can change very quickly? Thank you.

Class 2 We have been digging for Victory this week, harvesting vegetables from the garden, learning about allotments and the land army and making nettle soup- which was delicious. In maths we have been comparing 3-D shapes and their nets in the form of cone carrots and Anderson shelters. We have also been converting units of time.

Class 3 Class three have had another incredibly busy week and have worked extremely hard. Unfortunately we are still having issues with and unnecessary confusion and upset over unnamed jumpers which has wasted teaching time EVERY DAY this week. Please can you make sure your child's jumper/ cardigan has either their name on the label so that it can be returned/ claimed directly without any fuss or break in their learning time. Thank you for your cooperation with this matter.

GENERAL REMINDERS.

Moving to Secondary School Can we please ask that those parents/carers with children due to move up to secondary school in September 2019 make sure their application is submitted by 31st October? You should have received a unique reference number by now which you will need when you submit your application. Make sure you put three choices on, otherwise you may be allocated somewhere obscure!!! (Those children who are due to join reception in 2018 need to have their submission in by March 2019)

PLEASE ENSURE THAT ALL UNIFORM IS CLEARLY MARKED WITH YOUR CHILDS NAME ON AS WE ARE ALLREADY HAVING A FEW OWNERSHIP ISSUES.

SCHOOL DINNER MENU- W/B MON 17th September 2018- Week 3. Please remember to check your child's/children's order on the Lunchshop website.

DIARY DATES 2018

Wednesday 19th and Thursday 20th September: whole school visit to Bassenfell, (Reception return home Wednesday tea time, as reception are in Lowca School on Thursday as normal)

Friday 21st September Junior's swim week 2

Wednesday 26th September Junior's visit Lakes College for React science show, afternoon showing so back to school in time for finishing.

Friday 28th September Junior's swim week 3

Friday 19th October Years R, 1, 2,3,4,5 all getting Nasal Flu immunisation (NOT an injection) The nurse is coming in to school for 9.30a.m. start. We had a great take up success rate of 100% last year and the school received a certificate in recognition of this. It has been proven that immunisation at this level had a positive impact on the amount of hospitalisations for vulnerable people so we would really love to have 100% take up within the school so that we can do our bit to help keep people healthy. Thank you for the consent forms we have received thus far.
