WINNERS THIS WEEK

Class1: Kieran Woodend for his 'have-a-go' attitude when writing independent sentences.

Class2: Dion for mastering tens and units where a 'new hundred has been born' and his perseverance in his work

Class 3: Upper Junior: Dominic for his hard work, helpfulness and singing!

Lower Junior: Macie for all round work and going above and beyond with her maths

Class 1

This week we have continued with our fairy tale topic. Reception have been writing their sentences independently from recounting the story sequence. In maths they have been following patterns-sounds easy, but when you add colour, shape and size in to the mix it can be tricky and complex! (Early algebra)

Year 1 have completed their phonics screening tests, well done everyone! Thank you, parents, for your continued support with this. Also, the children have been writing recounts of their stories. In maths we have been looking at place value up to 999! This is also helping us to write larger numbers-try them over the weekend.

Class 2

I have been so impressed by the children's calculation skills over this week. Well done Class 2! In writing we have been developing stories with a moral and adapting traditional tales.

Class 3

The juniors have begun their play rehearsals this week, and even at this early stage it is looking amazing! We are so pleased with how many children already know their lines. WELL DONE! If you have already been thinking about costumes here are a few notes:

Munchkins will need a coloured tee shirt and a pair of shorts both in bright colours, but they don't have to match.

Emerald city people need a party dress or a smart suit (If possible), or smart school trousers and a bright shirt/tee shirt for the boys will do.

PLEASE DO NOT GO TO ANY EXPENSE TO PROVIDE A COSTUME IF IT CAN BE AVOIDED.

The main characters have a good idea of what they will wear and will let us know what you need shortly.

THANK YOU! THANK YOU! THANK YOU!

Thank you so much to John Moorhouse of Moorhouse and Sons Ltd, Bigrigg. He worked so hard and gave us a full floor of concrete from the goodness of his heart to help develop the children's eco house. Also a very big thank you to Emma and Phoebe Quinn, Carl and Reuben Ormerod, Mahmut Saki and Paul Todd for helping to shovel and level the concrete.

GENERAL REMINDERS

Can we ask that Year 6 pupils return their Newcastle trip paperwork as soon as possible, letters have been given to your child today.
