### WINNERS THIS WEEK

**Class 1:** Edie Beau for always showing a fantastic attitude to learning, concentrating really hard and always doing her best.

**Class 2:** The winner this week in class 2 is Ellia for super calculating with money problems.

**Class 3:** Melodi for her exceptional work and behavior above and beyond since the first day of this new school year.

**Class 1:** Reception have been very excited about our role play area becoming a kitchen, with all sorts of exciting play food. They've also really enjoyed mixing paints to make new colours. Outside we've been learning how balance scales work and playing musical instruments very energetically! In our Phase 3 phonics sessions, we are working on saying the sounds we hear in words, writing sounds independently and reading sentences. Next week we are looking forward to junk modelling (please try to send a few small items with your child) and talking about things we enjoy doing with our families (photos, pictures or a couple of ideas in yellow books please.)

Please keep on spending 10 minutes with your child each school night on both reading practice and spelling practice, using the purple books to guide you.

Thank you.

Class one have been very busy. We have used verbs and changed their tenses. Year 1 have been very clever changing from past, present and future tense but know it can be tricky too. Ask your child about the language they would use with a particular verb and its tenses. The spelling this week are good ones to practice tenses with. In maths we have moved onto subtraction and many strategies to use to help us be accurate with our calculations. Hold your breath... the Nativity box has been opened the excitement! Some children will have parts to say – their words will be given next week. Thank you for your support with children in need.

**Class 3:** The juniors really enjoyed the Glasgow trip. Everyone loved the Planetarium experience and getting to explore all of the exhibits.

Lola and Lola really liked the hurricane machine, it taught them about our resistance.

Macie is still missing her navy blue drawstring Nike swimming bag it contains her new black speedo swimsuit, towel and goggles.

A special thank you to Ava's Grandma for the colouring pencils she kindly donated to the school.
