

Friday 16th July 2021

Have a fantastic summer break, everyone!

PRIZE WINNERS THIS WEEK

Class 1: Alfie for his super school attitude

Class 2: Jake Woods for great maths work and for making good choices that help learning and help lovely friendships.

Class 3: The whole class for working so hard and having a superb year!

Class 4: For fabulous work and progress during their time at Lowca School.

(In no particular order)

Keely, Sonny, Macie, Daniel and Lola.

Good Luck for the future, we will miss you very much xxx

Class 1: Well, where did that year go? I would like to thank our reception children for working so hard this year (whilst still having lots of fun!) Thank you children, you are all wonderful! I would like to thank the parents for their continuous support with spellings and reading, especially through 'lockdown'. The children are finishing their first year of school on a high, we had a fabulous visit to Whinlatter, and an awesome water fight!! Once again, thank you for a super year, enjoy your well-deserved break, stay safe and have lots of FUN! [Mrs Ditchfield and Miss Charlton](#)

Class 2: This week we have been learning about the way people connect to God and the rules they follow. We have compared places of worship, celebrations, special food and special clothing. In English we have been finding out the meanings of scientific vocabulary that will help us be better investigators. Our maths focus was to link our work on halves and quarters with half past and quarter past and quarter to on an analogue clock. Have a lovely summer break everyone.

Class 3: This week class 3 have worked really hard and been super creative! The children produced reflection booklets of our trip to Tullie House, using photos or detailed drawings to add to their writing. The children have explored coordinates and translation of shapes as well as practiced our time reading skills in games of Bingo! The children have constructed and decorated their own Egyptian tombs, researching how they would be decorated and what they would be filled with. Class 3 also created their own chemical reaction volcanoes, taking turns and mixing to create solutions. Class 3 have worked hard all year and have achieved a lot, well done class three and I hope you all have a lovely summer! [Miss O'Neill](#)

Class 4: We have had another busy week finishing off our Egyptian topics and Science work amongst other things. On Monday we had a virtual Zoom visit with Ruth from the Jewish Reform Synagogue in Newcastle. She took us on a tour of the Synagogue and answered all of our questions. On Tuesday, we helped the Year 6 Leavers to celebrate their SAT success and get ready for secondary school. Yesterday, the whole school got together over Zoom to say goodbye to them too. Everyone is very excited for the holidays and we hope you all have a really good rest ready for September. [Ms.Lawson and Mrs.Draper](#)

General information

TEACHERS RETURN TO SCHOOL WEDNESDAY 1ST SEPTEMBER, PUPILS ARE IN THURSDAY 2ND SEPTEMBER - 8.50AM START.

Lunches: Due to ever increasing overheads, we are having to raise the cost of the lunches by 10p per day from September. (£2.40 per day) They still represent excellent value and are subsidised by the school, and we are expecting to be back to **Full Menu** in September.

Returning in September Can parents be on the lookout for an updating text that will be sent out during the week before our return containing the latest procedures for dropping off and collecting pupils. We are waiting until then so that we are as up to date with the latest advice as we can be in regards to the Covid situation so that we are all kept safe.

BASSENFELL 2021 Wednesday 15th and Thursday 16th September. When the pupils return in September, we will be issuing the paperwork that will need filled in, signed and returned to us so that your child can be included in the residential trip to Bassenfell.
