

Friday 16th November 2018

WINNERS THIS WEEK

Infants: Ava for trying so hard and doing lots of homework

Upper Junior: Kaleb for his science and topic understanding and his questioning skills

Lower Junior: Kadie for superb science and written work and growing self confidence

Infants: Another very busy week in the infants. The children have been thinking about their toys and how to play fairly with them. This has linked in to 'children in need' and our children's understanding of less privileged children around the U.K. Next week we will introduce chronology with time lines and finding out when particular toys were invented. The nativity box has now appeared!! The year 2 children know which character they will play and the rest of the children know the group, angels, shepherds or kings that they will be playing. Thank you for your continued support with reading and spelling, this week lots of children scored 10 out of 10!! Well done.

Juniors Class 2 have been identifying nouns and adjectives in poetry and in maths we have mastered counting in decimal tenths. Sam Moore, our STEM ambassador from Sellafield Ltd, called in yesterday to bring us a copy of the article that has been published in their group magazine ENERGISE. He was very pleased that we had made the press, as are we! The school also had a visit from P.C.Wilson on Monday to teach them about STRANGER DANGER. Everyone has been working hard on our space topic and all are keen to learn.

**WE HAVE HAD GREAT FUN
TODAY IN AID OF CHILDREN
IN NEED**
