WINNERS THIS WEEK

Infants: Leyton for working really hard on his phonics, improving his reading skills and his great attitude to learning.

Lower Junior: Reggie for being a great “finder of patterns” in his number work.

Upper Junior: All year 6's for hard work since last September- Daniel, Dexter, Harvey, Aaron, Lucy, Graydon, Jack, Lewis- all

amazing superstars!

Class 1 This week the children have been working very hard on their phonics and have used these skills to write wonderful dinosaur stories correctly. In maths the children have been working on their positional language and they have been using this knowledge to help solve a treasure hunt in outdoor learning. This week has been very exciting with the caterpillars as many have hatched from their chrysalids in to beautiful butterflies. Today, the year 1 children actually saw this process and were so excited as they watched the butterflies emerge.

Class 2 We have had a science week learning all about colour in the natural world. Please ask your child about camouflage, defence colours, communication colours, petal colours and why the leaves change colour.

Class 3 The year 6's are pleased to tell you that they have all completed their SATs tests this week-Hooray!!! Everyone has worked really hard and thoroughly enjoyed the SATs breakfast club. They would like to say a big thank you to Mrs. Crawford for cooking their pancakes and bacon butties all week. Years 3, 4 and 5 have been busy solving lots of maths mysteries in the garden and they have created shadow sculptures in art.

Very proud
year 6!
Well done
all of you,
you have
worked so
hard.

Transition dates

Whitehaven academy: Wednesday 3rd and Thursday 4th July.

Cockermouth School: 25th and 26th June

St. Joseph's: Thursday 20th June.

Correspondence and details about your child's secondary school will be delivered directly to you home, not to Lowca School.
