

Friday 1st February 2019

WINNERS THIS WEEK

Infants: Liam for being absolutely on task

Upper Junior: Mia for her mapping skills and her snow science investigation

Lower Junior: Courtney for her beautiful handwriting

Class 1 This week in the infants the children have continued to explore and enjoy their gorgeous classroom! The reception children have been learning about sentences and trying out their independent writing. Years 1 and 2 have continued with using base 10 to underpin calculating. They have also continued with reading comprehension. (Remember, when reading with your child at home, ask them about what they have read, as this aids their comprehension skills).

We are all looking forward to our trip to Whinlatter on Tuesday! Remember to provide a packed lunch for your child and also make sure they have appropriate warm waterproof clothing and footwear, taking in to account the weather we have had lately! Please, no chocolate or fizzy drinks in packed lunches as they fizz up everywhere/ melt and make a mess. If you think your child will be travel sick, please dose them as appropriate in the morning.

Class 2 Class 2 have been travelling from the Middle Ages up to Tudor times. We have painted Tudor housing with parallel, diagonal, vertical and straight lines. Here we are trying some pomegranate, which was Catherine of Aragon's family symbol! In maths we have been continuing with our money calculations and role play in our shop.

Class 3 The juniors have continued their journey through time and this week we have travelled on our land- use map from the middle ages right up to modern day, looking at home styles and settlement development. The children have also thought about future building materials and designs.

DATE AND TIME	EVENT
