

Friday 21st June 2019

WINNERS THIS WEEK

Infants: Ellia for always smiling, always being polite, respectful and helpful

Lower Junior: Nate for his Science recording, observation and question skills

Upper Junior: Daniel Smye for his maths understanding and enthusiasm

Class 1 We are enjoying the story of Stickman by Julia Donaldson. The children have been working very hard on saying and writing down sentences about what Stickman needs to be aware of. In maths, we have been counting 2's, 3's and 10's and using Numicon to add and take away. Our brand new role play Charity Shop is now open, thanks to the hard work of Miss Smith and Miss Gilmour.

Class 2 The year 2's have really impressed the moderators that came to school this week. Every 4 years we get a "checking visit" to ensure the teachers' judgements about attainment levels are accurate. The visitors were amazed by the progress the children have made this year. We have been learning about exclamation marks, poetic phrases and a comical story about a fish that had fish fingers. In maths we have been revisiting time and looking at column subtraction where we need to exchange hundreds and tens.

Class 3 'This week years 5's, 6's, 3's and 4's all enjoyed the first play rehearsal. They have also been carrying on with their river topic. In art they have been working with charcoal and learning about the local artist, Sheila Fell. In science they were doing an experiment with gummy bears and orbeez . They have also been writing a balanced argument in English'.

Written by Louisa, Y5.

Happy Hours Open Day The ladies at 'Happy Hours Lowca' would like to invite you to their annual open day this Saturday (22nd June) 10.00am until 2.00pm. If you or anyone you know are looking for childcare places for 2-year-old, pre-school or before and after school

club, this is a wonderful opportunity to come and take a look at the fantastic facilities available and to meet the ladies. If you are unable to attend but would like more information please call us on 01946 591999.
