WINNERS THIS WEEK

Infants: Lucas for his super listening skills

Lower Junior: Lola Cross for her excellent effort in all her work

Upper Junior: Daniel McGuirk for his independent work

Class 1 This week we have been finishing off our art from around the world. We have looked at Edward Tingatinga's tall ladies from Tanzania. We have painted willow patterns on plates like in China. From France we have made mosaics in the style of Mondrian's block paintings. Lastly, we have completed some Mexican folk art. In maths, beware of crocodiles!! The children made crocodile jaws to grasp the concept of greater than and less than. In English we have continued with our reading comprehension exercises. Our new topic after the break will be dinosaurs.

Class 2 In class 2 we have been writing mothers' day poems and practicing redrafting. We have also been using a thesaurus to find synonyms (words that mean the same as). In Maths we were revisiting "column subtraction with exchange" and we have been solving daffodil problems to consolidate our understanding of division. We have also been measuring the perimeter of shapes and the surface area of shapes. But best of all was all the knowledge we absorbed at Beamish and we have written reviews of our trip.

Class 3 Beamish was BRILLIANT! All of the children were very well behaved all day. Everyone really enjoyed seeing, feeling, smelling what life was like in the Edwardian times.

"I really enjoyed riding in the trams" Phoebe, Y5
