## Prize Winners

Reception: Polly Clements for enjoying coming to school

Year 1: Isabella Brown for perseverance

Year 2: Kadie Lowrey for being a peacemaker and diligent worker in class

Lower Junior: Macie Payne for excellent maths.

Upper Junior: Harry Piggott also for excellent maths.

Class 1 : We have done lots of number reading in maths this week, counting up to 100 , filling in missing numbers and beginning to understand 'odds and evens'. There has been some brilliant spelling work this week in English, and the homework practice done by the pupils has been excellent- well done everyone. We have also been practicing writing sentences that 'make sense'.

Class 2: The juniors have been very busy this week finishing their costumes for the fashion show. Next week they are going to be writing their speeches and designing their invitations to invite you. We have visited the library van and chosen new books. Everyone tried very hard in their spelling dictation this week but can we please ask that you encourage your child to practice their spellings, reading and times tables every night. Thank you.

A special mention to year 6 for their maths work-well done.

Years 5 and 6 are going on their canoeing trip on Tuesday, can pupils arrive at school in their outdoor clothing with wellies and waterproofs on but their school uniform in a named bag so that they can get changed in to it when they arrive back in time for lunch. A £2 donation towards the cost of the canoeing lesson and transport would be very much appreciated.
