

Friday 7th June 2019

WINNERS THIS WEEK

Infants: Hannah for her brilliant concentration and effort in maths and english

Lower Junior: Lola Cross for the fantastic non-fiction books she wrote at home and brought in to school.

Upper Junior: Kaleb for his gorgeous maths book work since September 2018

Class 1 In English, the pupils in class one have really enjoyed the book 'The Smartest Giant in town'. They had great fun acting out the story and ended up getting wet! They have been naming plants whilst in the garden and enjoying looking at the various types. In maths they have been adding in 10's and 1's.

Class 2 The pupils have really enjoyed learning about the water cycle in class this week. We have also worked on symmetry and money word problems.

Class 3 On Tuesday, the pupils enjoyed a STEM day with the graduates from Sellafield. They all took part in science and engineering activities that included learning about the types and formation of radiation and different items of personal protection equipment. They learned about technical design drawing and problem solving. They entered a bridge design contest with the 17cm bridge design of Jack Piggott and Daniel Smye winning. Everyone also made a gripper device like the robot hands that are used by Sellafield and NASA to move huge pieces of equipment. It was a very busy day and everyone had loads of fun with the hands-on learning. The juniors loved it!

Transition dates

Whitehaven academy: Wednesday 3rd and Thursday 4th July.

Cockermouth School: 25th and 26th June

St. Joseph's: Thursday 20th June.

~~Additional date: Whitehaven Academy: Thursday 20th June, morning session only.~~
