

Friday 8th February 2019

WINNERS THIS WEEK

Infants: Kieran for improved reading

Upper Junior: Daniel Johnston for his maths understanding

Lower Junior: Macie for her written report details

Class 1

Washing Wool

The Flour King!

Baking Bread

The infants this week had an amazing visit to Whinlatter on Tuesday when they had their 'Viking' day! We washed and boiled wool (on an outside open fire) to gain an understanding of preparing wool to be dyed with colour and then used to make cloth for clothing. We made bread and cooked it Viking style on the fire. We actually tasted this and it was very crunchy, but rather tasty! We had our picnic in the Yurt and we were very cosy in there. All the children were fabulous as always. The pupils were fully participating and answering questions and impeccably behaved.

Class 2 In maths we have been using the counting on method to calculate change and practising in our pretend shop. We have also been using Roman numerals to investigate calculations. In English we have been writing in paragraphs about Tudor homes and Henry VIII's heirs. Ask your child to put these monarchs in the right order, Elizabeth I, Mary I Tudor, Edward VI, Lady Jane Grey, Henry VII and James I.

Class 3 The Juniors have been very excited to join the Sumdog maths program which they can use alongside their normal maths homework. On Wednesday we took part in the RSPB's 'Big Schools' Birdwatch'. We went out in to the garden and the pupils used their fieldwork skills to gather data which we have submitted to the national RSPB survey.

Ready for the survey!

PLEASE, PLEASE, PLEASE if you have any spare fabric or old clothes could you donate them to class 3 for our creative project –we have just got a sewing machine!!!! Also, could we ask for old newspapers as well? Thank you.
