

Parent Safeguarding Survey Summary

Thank you for providing your feedback in relation to Safeguarding at Lowca Community School. We are delighted that 100% of parents feel that their child is safe and happy in our School. We would like to provide some additional information to address the concerns that some parents had raised ...

■ Strongly Disagree ■ Disagree ■ No Comment ■ Agree ■ Strongly Agree My child is happy at this school My child feels safe at this school The pupils at this school are well behaved Bullying is dealt with quickly and effectively I know where to access the Behaviour and Safeguarding Policies on the School Website I am kept up-to-date with Internet Tips and Guidance on keeping my child safe online I know who the Safeguarding Team are or who to speak to if I have a concern

All of our Safeguarding Polices and Procedures including Behaviour, Attendance and our School Safeguarding Leaflet can be found on our School Website

We post regular updates and safeguarding tips on our

Newsletters and Facebook page

Our Safeguarding Leaflet and Website provide details about who our Safeguarding Team is, how to contact them and what to do if you have any concerns about a child in or out of school

On Friday afternoons, all pupils choose a personal development activity based on their own interests. This term we are taking part in the Cumbrian Award and working on an aspect of Performance Arts, Forest School or Construction ... or '50 Things to do before you are 5 years old' for those pupils in EYFS!

■ Strongly Disagree ■ Disagree ■ No Comment ■ Agree ■ Strongly Agree The school supports my child's Wellbeing and Mental The school supports my child's wider personal The school supports my child's needs academically The school provides free breakfast for all pupils My child can take part in a range of after school My child completes a good amount of exercise

Our School Values include Well-being and this is discussed regularly in assemblies, in lessons and as part of special events such as celebrating Children's Mental Health Week. Children learn what good mental health is and how they can ensure they, and their peers, have healthy habits to protect their mental health and well-being.

We have dedicated, trained adult mental health champions for parents and staff as well as Pupil Mental Health Champions who are ambassadors for our children and help to deliver assemblies, share information and provide peer support and advice to those who need it.

In addition, our school takes part in weekly Decider Skills sessions to help children understand their emotions, know when to seek help and how to cope in difficult situations. For more information visit

Our staff and pupils complete regular well-being surveys so we can help to identify those who need support and monitor trends, pattern and progress over time.

We provide a wide range of SEND support which includes Social,

Emotional, Mental Health (SEMH) activities such as Lego Therapy,

Time 2 Talk and ELSA (Emotional Literacy Support Assistant)

sessions ... as well as having our very own Therapy Dog called Luna.
